

THE STITCHIN' DEN

165 Virginia Dr.
Estes Park, CO 80517
Phone: 970.577.8210

Hapi Wrap Beginner project designed by Judy Ditmore. Presented by Interlacement Yarns

Materials:

1 skein Rick Rack and US 8 or 9 needles

Gauge: Lace pattern that can be worked as open as desired.

Notes: You can increase the number of garter ridges between the lace as desired to make your garment exclusive.

Pattern:

Old Shale' or 'Feather and Fan'

Row 1: K2tog x 3, *(YO, K1) x6; K2tog x 6* repeat from * to * until last 12 sts, YO K1 x 6, K2tog x 6

Row 2: Knit

Row 3: Knit

Row 4: Purl

Back: Cast on 144 sts, work in pattern until fabric is 26" long or as long as desired from cast on edge to shoulders

Fronts: Knit 72 sts & divide for fronts by putting remaining 72 sts on a stitch holder. Continue in pattern as worked for back until front is 20" or desired length. Pick up held sts and work second front as first.

Blocking: Block to measurements, using steam and a damp cloth. Allow to dry thoroughly.

Assembly: Sew side seams starting at bottom until armhole is desired size. The amount of drape from the shoulder is determined by the depth of the seam.

Finishing: Crochet a shrimp stitch (backward crochet, if your knitted edges require covering) around the front and sleeves. Reinforce the back of the neck opening. If you do not crochet, take the tails of your yarn and weave a triangle to take the stress off the knitting

The Stitchin' Den

Open Daily 10am-5pm
