Dara Frenette - Designer Hi! *I started knitting almost 58 years ago when a neighbor taught me to cast on, knit, purl and bind off. Since then I have taught myself everything I can find about knitting. I consider myself a student of the craft. You can see some of my work hanging around LYS as I have knit some (many) of the shop samples. I hope to see you in one of my upcoming classes or Knit-a-Longs!*
